### CONDITIONS OF ISSUE:

1. The certificate confirms that the "Manufacturer" has provided a product conforming to the specification(s) detailed above. Approval does not assume that the "Manufacturer" can produce consistent conforming product nor does it endorse the production techniques or the testing strategy employed for the assessed period.
2. The "Manufacturer" receiving a contract from British Telecommunications plc for the above product will retain all responsibility for product conformance and reliability.
3. This certificate remains the property of British Telecommunications plc and must not be shown, copied or disclosed to any persons outside of British Telecommunications plc other than employees of the "Manufacturer" engaged in the design or supply of the above product for British Telecommunications plc. This certificate must be surrendered on demand to the issuing group.
4. This certificate is issued without responsibility of British Telecommunications plc to any third party and no warranty as to the products quality is offered by BT to such third party.
